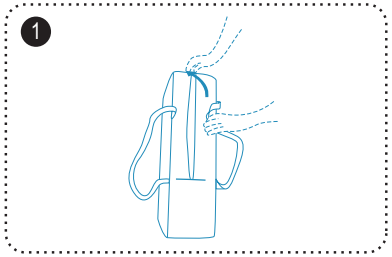
ACHTUNG!
BITTE LESEN SIE DIESE ANWEISUNGEN SORGFÄLTIG DURCH, BEVOR SIE DIESES REISEBETT IN VERWENDUNG NEHMEN.
BEHALTEN SIE DAS HANDBUCH FÜR SPÄTERE REFERENZEN AUF.
LESEN SIE DIE BEDIENUNGSANLEITUNG SORGFÄLTIG DURCH, UM VERLETZUNGEN ZU VERMEIDEN.

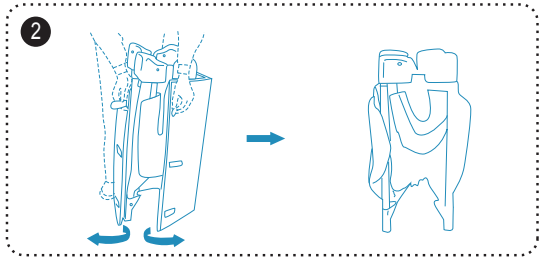
1) Lassen Sie Ihr Kind nie unbeaufsichtigt.
2) Stellen Sie nach dem Entfalten fest, dass das Reisebett sicher ist und dass alle Seiten hörbar eingerastet und verriegelt sind.
3) Vergewissern Sie sich, dass die Gelenke des Reisebettes immer richtig eingerastet sind und überprüfen Sie dies regelmäßig.
4) Demontieren Sie das Reisebett nicht, wenn sich das Baby darin befindet.
5) Lassen Sie Ihr Baby nicht aus dem Reisebett steigen.
6) Verwenden Sie das Reisebett nicht ohne die mitgelieferte Matratze.
7) Lassen Sie nichts im Reisebett, das Ersticken oder Strangulieren verursachen könnte.
8) Lassen Sie nichts im Kinderbett liegen oder stellen Sie das Kinderbett nicht in der Nähe eines anderen Produkts auf, welches Ihrem Baby zum Hinaussteigen helfen könnte.
9) Verwenden Sie das Kinderbett nicht, wenn ein Teil gebrochen, zerrissen oder fehlend ist und verwenden Sie nur vom Hersteller genehmigte Ersatzteile.
10) Das Reisebett, einschließlich der Seitengitter und der Unterlage, sollte vor Gebrauch vollständig aufgerichtet werden. Die Oberen Schienen müssen vollständig eingerastet sein.
11) Bitte beachten Sie die Gefahr von offenem Feuer und anderen starken Wärmequellen - wie Elektroherde, Gasöfen usw. in der Nähe des Reisebetts.
12) Vermeiden Sie eine Überlastung des Reisebetts.
13) Das Reisebett ist nur für ein Kind bestimmt und welches ein Gewicht von weniger als 15 kg hat.
14) Wenn das Öffnen oder Schließen nicht korrekt funktioniert, überprüfen Sie das Reisebett sorgfältig und befolgen Sie die Anweisungen, um Schäden zu vermeiden.

REINIGUNG & WARTUNG:
1) Verwenden Sie nur Haushaltsseife oder Reinigungsmittel mit warmem Wasser.
2) Verwenden Sie lauwarmes Wasser zum Waschen und lassen Sie es gut abtropfen und trocknen. NICHT BLEICHEN.
3) Lagern oder benutzen Sie das Reisebett nicht an Orten mit hoher oder niedriger Temperatur oder Luftfeuchtigkeit und sorgen Sie immer für ausreichende Belüftung.

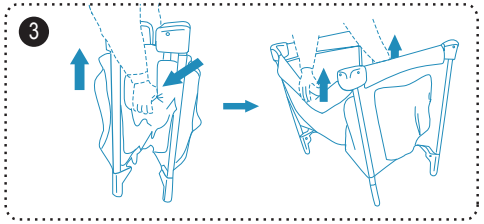
AUFBAU:



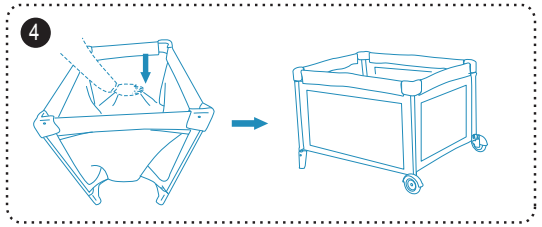
1) Nehmen Sie das Reisebett aus der Tragetasche.



2) Öffnen Sie die Matratze und legen Sie diese zur Seite.

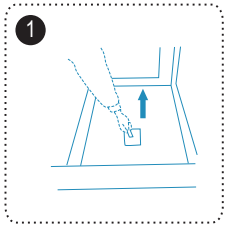


3) Klappen Sie die beiden, gegenüberliegende Seiten nach oben, bis diese eingerastet sind.

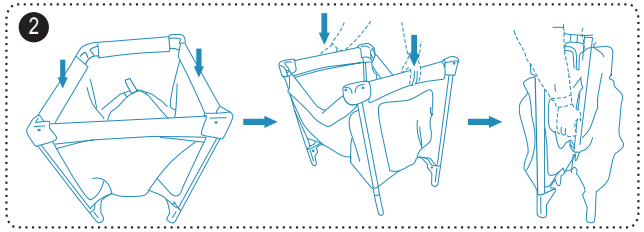


4) Drücken Sie die Bodenmitte nach unten, bis der Boden vollkommen flach und stabil ist. Legen Sie die Matratze in das Reisebett.

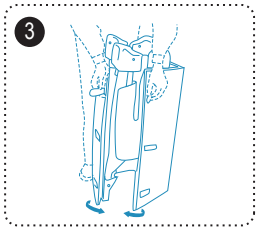
ABBAU:

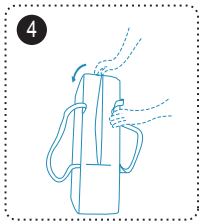


1) Entfernen Sie die Matratze und ziehen Sie das Band in der Mitte ganz nach oben bis es über dem Rahmen ist.



2) Lösen Sie die Fixierungen der Seiten, indem Sie jeweils den Knopf in der Mitte drücken und lassen Sie die Seite fallen, sodass ein „V“ entsteht. Falls eine Seite nicht vollständig einknickt, ziehen Sie die Bodenmitte mithilfe des Bandes nach ganz oben und entsichern Sie wieder die mittleren Knöpfe. Schieben Sie alle 4 Ecken und Füße zu einem kleinen Quadrat aneinander.



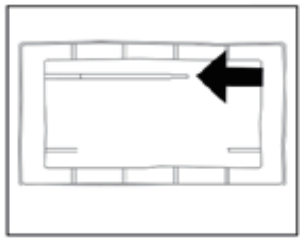


3) Wickeln Sie das Reisebett in die Matratze und befestigen Sie diese mithilfe der Klettverschlüsse.

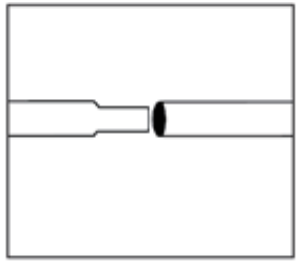
4) Stecken Sie das gesamte Paket wieder zurück in die Tragetasche.

AUFBAU:

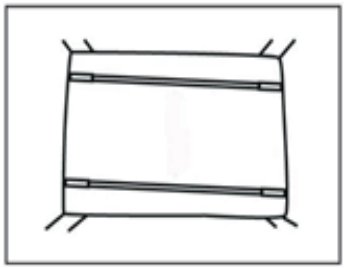
1



2



3



4

5

1. Setzen Sie den Beistellbett-Reißverschluss gut um das Laufgitter herum zusammen.
2. Schieben Sie die Enden der Stahlstangen in den Textiltunnel und verriegeln Sie sie dann miteinander. Legen Sie die Matratze in das Beistellbett.
3. Zum Entfernen nehmen Sie einfach den Reißverschluss ab und ziehen das Beistellbett heraus.

Anleitung für das Beistellbett:

A. Herunterklappen und verwenden:

Öffnen Sie die beiden vertikalen Reißverschlüsse nach unten. Siehe Bild 1.
Schieben Sie beide Teile nach innen und lassen Sie sie nach unten gleiten, um das Bett in eine Baby-Seitenwiege zu verwandeln. Siehe Bild 2.
B. Hochklappen und verwenden:

Ziehen Sie zuerst das eine Kunststoffteil nach innen, um es hochzuklappen, und dann das andere. Wiederholen Sie diesen Vorgang, bis das Handgitter in seine ursprüngliche Position zurückkehrt. Siehe Bild 3, 4.
Achten Sie darauf, dass die beiden vertikalen Reißverschlüsse in der richtigen Position nach oben geschlossen sind.

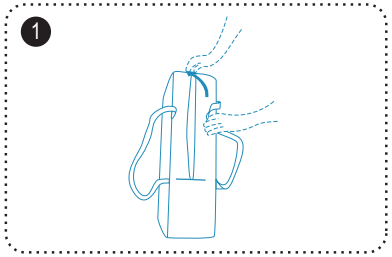
Das Anbringen des Beistellbetts am Bett: Befestigen Sie die Klammer am Riemen an den Seiten des Elternbetts. Verlängern Sie den Riemen und platzieren Sie ihn zwischen der Matratze und der Basis des Beistellbetts.

ATTENTION!
PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE SETTING UP OR USING THE TRAVEL COT.
KEEP THE MANUAL FOR FUTURE REFERENCES. READ THE MANUAL CAREFULLY TO AVOID INJURIES.

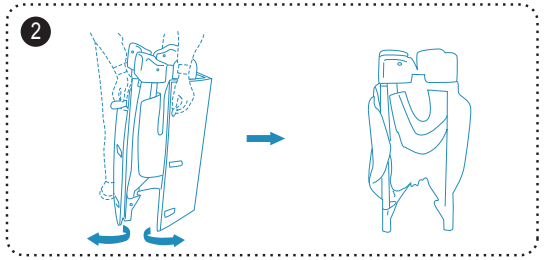
1) All assembly fittings should always be tightened properly and that fittings should be checked regularly and retightened as necessary.
2) Never leave your child unattended, always keep an eye on your child.
3) After unfolding, make sure that the travel cot is secure and that all sides are audibly engaged or locked.
4) Do not dismantle the playpen when the baby is in the playpen.
5) Do not allow your baby to climb out of the travel cot.
6) Do not use the travel cot without the supplied mattress.
7) Do not leave anything in the travel cot, which could cause suffocation or strangulation.
8) Do not leave anything in the cot or place the cot close to another product, which could provide a foothold.
9) Do not use the cot if any part is broken, torn or missing and use only spare parts approved by the manufacturer.
10) The travel cot, including side rails and buttom pad, should be fully erected before use. Top rails must be completly locked.
11) Please be aware of the danger of open fire and other strong heat sources - such as electric stoves, gas stoves, etc. near the playpen.
12) Avoid overloading the travel cot
13) The travel cot is intended for use by only one child and with a weighs less than 15 kg.
14) If opening or closing is not easy, check the travel cot carefully and follow the instructions to avoid damage.

CLEANING & MAINTENANCE:
1) Use only household soap or detergent with warm water.
2) Use lukewarm water for washing and let it drain and dry thoroughly. DO NOT BLEACH.
3) Do not store or use the travel cot in places subject to high or low temperature or humidity, and always ensure adequate ventilation.

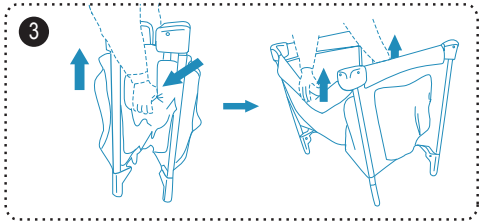
ASSEMBLY:



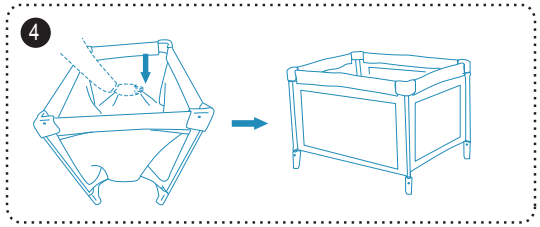
1) Take the travel cot out of the transport bag.



2) Open the mattress and lay it to the side.

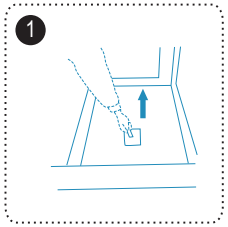


3) Unfold both opposite sides, by pulling them up until you can hear them click into position.

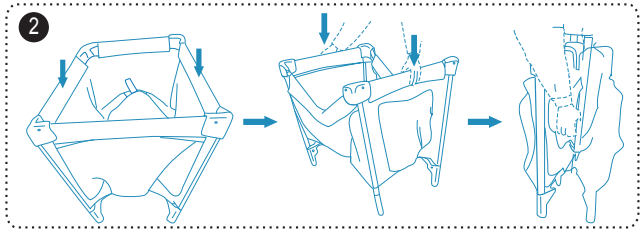


4) Press the floor down, until it‘s completely flat and stable. Place the mattress in the playpen.

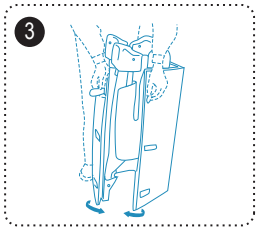
STOWING AWAY:

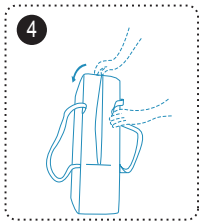


1) Take out the mattress and pull the strap in the middle all the way up, until it is above the frame.



2) Loosen the fixations of the sides by pressing the button in the middle and drop the sides down to create a "V". If one side does not collapse completely, use the strap to pull the center of the floor up to the top further and release the middle buttons again. Slide all 4 corners and feet together to form a small square.





3) Wrap the playpen in the mattress and close the velcro clasps.

4) Place the travel cot in the transport bag.

AUFBAU:

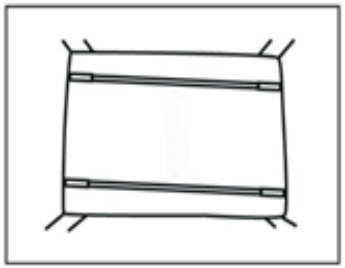
3



4

5

1. Attach the co-sleeper securely to the crib by connecting the zipper all around the playpen.
2. Insert the ends of the steel rods into the fabric tunnel and then lock them together. Place the mattress inside the co-sleeper.
3. For removal, simply detach the zipper and pull out the co-sleeper..

Instructions for the co-sleeper:

A. Folding down and using:

Open the two vertical zippers downward. Refer to Image 1.
Slide both parts inwards and let them glide downward to transform the bed into a baby side crib. Refer to Image 2.

B. Folding up and using:

First, pull one plastic part inwards to fold it up, and then the other one. Repeat this process until the handrail returns to its original position. Refer to Image 3, 4.
Ensure that the two vertical zippers are properly closed in the upward position.

Attaching the co-sleeper to the bed: Attach the clamp to the strap on the sides of the parent's bed. Extend the strap and place it between the mattress and the base of the co-sleeper.

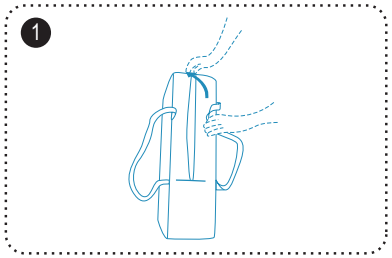
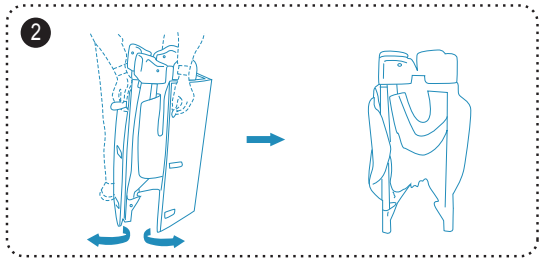
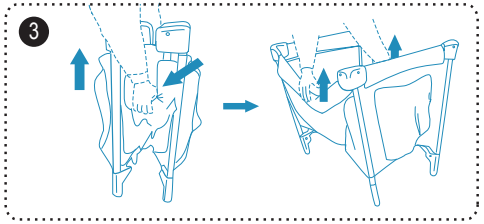
ASSEMBLY:



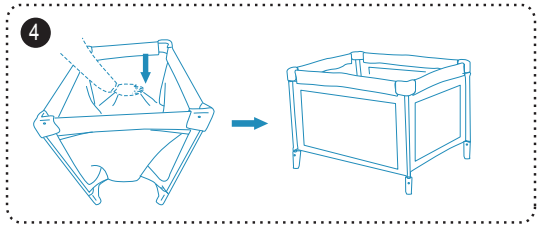
1) Take the travel cot out of the transport bag.



2) Open the mattress and lay it to the side.

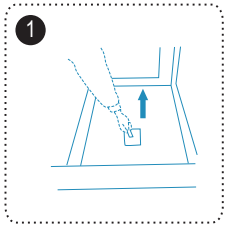


3) Unfold both opposite sides, by pulling them up until you can hear them click into position.

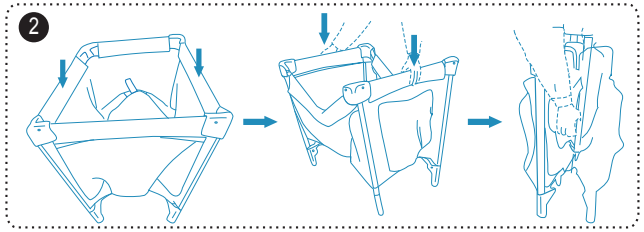


4) Press the floor down, until it‘s completely flat and stable. Place the mattress in the playpen.

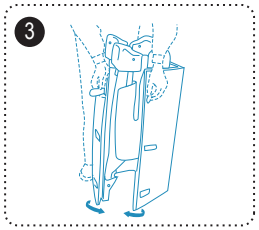
STOWING AWAY:

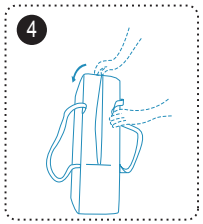


1) Take out the mattress and pull the strap in the middle all the way up, until it is above the frame.



2) Loosen the fixations of the sides by pressing the button in the middle and drop the sides down to create a "V". If one side does not collapse completely, use the strap to pull the center of the floor up to the top further and release the middle buttons again. Slide all 4 corners and feet together to form a small square.





3) Wrap the playpen in the mattress and close the velcro clasps.

4) Place the travel cot in the transport bag.

1. Fixez la fermeture éclair du lit d'appoint tout autour de la barrière de jeu.
2. Insérez les extrémités des barres en acier dans le tunnel en tissu, puis verrouillez-les ensemble. Placez le matelas à l'intérieur du lit d'appoint.
3. Pour le retirer, détachez simplement la fermeture éclair et tirez le lit d'appoint.

FR

Instructions pour le lit d'appoint :

A. Pliage vers le bas et utilisation :

Ouvrez les deux fermetures éclair verticales vers le bas. Voir Image 1.
Faites glisser les deux parties vers l'intérieur et laissez-les glisser vers le bas pour transformer le lit en un berceau latéral pour bébé. Voir Image 2.

B. Repliage vers le haut et utilisation :

Tirez d'abord une partie en plastique vers l'intérieur pour la replier, puis l'autre. Répétez ce processus jusqu'à ce que la barrière revienne à sa position initiale. Voir Image 3, 4.
Assurez-vous que les deux fermetures éclair verticales sont correctement fermées en position supérieure.

Fixation du lit d'appoint au lit : Fixez la pince à la sangle sur les côtés du lit des parents. Étirez la sangle et placez-la entre le matelas et la base du lit d'appoint.

Lorem ipsum

Instruktioner för spjälsängen:

A. Fäll ner och användning:

Öppna de två vertikala blixtlåsen nedåt. Se Bild 1.
Skjut båda delarna inåt och låt dem glida nedåt för att omvandla sängen till en babysidosäng. Se Bild 2.

B. Fäll upp och användning:

Drag först en plastdel inåt för att fälla upp den, och sedan den andra. Upprepa denna process tills handräcket återgår till sin ursprungliga position. Se Bild 3, 4.
Se till att de två vertikala blixtlåsen är ordentligt stängda i uppfälld position.

Fästa spjälsängen vid sängen: Fäst klämman på remmen på sidorna av föräldrarnas säng. Förläng remmen och placera den mellan madrassen och basen av spjälsängen.

1. Fest glidelåsen på babynestet rundt lekegrinden godt.
2. Skyv endene av stålstengene inn i stofftunnelen og lås dem deretter sammen. Legg madrassen inn i babynestet.
3. For å fjerne det, ta bare av glidelåsen og dra ut babynestet.

Instruksjoner for babynestet:

A. Brette ned og bruke:

Åpne de to vertikale glidelåsene nedover. Se Bilde 1.
Skyv begge delene innover og la dem gli nedover for å forvandle sengen til en baby sidevugge. Se Bilde 2.

B. Brette opp og bruke:

Trekk først den ene plastdelen innover for å brette den opp, og deretter den andre. Gjenta denne prosessen til håndrekket vender tilbake til sin opprinnelige posisjon. Se Bilde 3, 4.
Pass på at de to vertikale glidelåsene er riktig lukket i oppreist posisjon.

Feste babynestet til sengen: Fest klammen til stroppen på sidene av foreldrenes seng. Forleng stroppen og legg den mellom madrassen og basen av babynestet.

1. Správně připojte zip od dětské postýlky kolem hracího ohrádku.
2. Vložte konce ocelových tyčí do textilního tunelu a pak je spolu zajištěte. Vložte matraci do dětské postýlky.
3. Pro odstranění jednoduše oddělte zip a vytáhněte dětskou postýlku.

Návod k dětské postýlce:

A. Sklopení dolů a použití:

Otevřete oba svislé zipy dolů. Viz Obrázek 1.
Oboje zatlačte dovnitř a nechte je klouzat dolů, aby se postel změnila v dětskou boční kolébku. Viz Obrázek 2.

B. Sklopení nahoru a použití:

Nejprve vytáhněte jeden plastový díl dovnitř, abyste ho složili nahoru, a pak druhý. Tento postup opakujte, dokud se zábradlí nevrátí do své původní pozice. Viz Obrázek 3, 4.
Ujistěte se, že oba svislé zipy jsou správně uzavřeny ve vzpřímené poloze.

Připevnění dětské postýlky ke spánkové posteli: Připevněte svorku ke stuhu na bocích rodičovské postele. Roztáhněte pásek a umístěte ho mezi matrací a základem dětské postýlky.

1. Správne umiestnite zips z detského postieľky okolo hracej ohrádky.
2. Vložte končeky oceľových tyčí do textilného tunela a potom ich zabezpečte spolu. Umiestnite matrac do detskej postieľky.
3. Na odstránenie jednoducho oddelite zips a vytiahnite detskú postieľku.

Návod na detskú postieľku:

A. Sklopenie nadol a použitie:

Otvorte obe vertikálne zipsy nadol. Pozrite sa na Obrázok 1.
Obe časti posuňte dovnútra a nechajte ich klesnúť nadol, aby sa posteľ zmenila na detskú bočnú kolísku. Pozrite sa na Obrázok 2.

B. Sklopenie nahor a použitie:

Najprv vytiahnite jeden plastový diel dovnútra, aby ste ho zložili nahor, a potom druhý. Tento postup opakujte, kým sa zábradlie nevráti do svojej pôvodnej polohy. Pozrite sa na Obrázok 3, 4.
Uistite sa, že obe vertikálne zipsy sú správne zatvorené vo vzpriamenej polohe.

Pripojenie detskej postieľky k posteľi: Pripojte sponu k pásku na stranách rodičovskej postele. Predĺžte pás a umiestnite ho medzi matracom a základom detskej postieľky.
